Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

RED HEAT (MEN IN UNIFORM)

Berkley, 2011. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Multi-award-winning author Nina Bruhns spins a tale of high-stakes espionage and compelling desire in her newest page-turning romantic thriller. When CIA analyst Julie Severin's father was killed in Moscow as a spy, she vowed never to trust a Russian again. But she finds that promise difficult to keep when she lands an unlikely mission posing as a reporter on board a Russian submarine - commanded by Captain Nikolai Romanov, the very same devilishly handsome stranger she had a sizzling encounter with the night before. Under Arctic ice their passion quickly heats, along with Nikolai's grave suspicions about Julie's true reason for being on the international scientific exploration. Keeping the American spy under close surveillance leads to stolen pleasures. But neither Nikolai nor Julie suspects there is another enemy spy in their midst. Until the situation explodes into their worst nightmare, and the lovers' hard-earned trust - and loyalty to opposing countries - is put to the ultimate test, along with their growing forbidden love. PRAISE FOR NINA BRUHNS 'High-action suspense at its very best!' - Debra Webb, bestselling author 'A thrill ride from start to finish!' - Rebecca York, USA Today bestselling author 'Provocative [and] sexy.' - Tamar Myers, award-winning author.
