Reviews

This book is fantastic. It is really simplistic but surprises inside the 50 percent of the publication. I am just happy to inform you that here is the very best publication i have read through inside my individual life and can be he greatest book for actually.

(Everette Luetngen)

FACIAL FUNCTION EXERCISES

DOWNLOAD

Hippocampus-Verlag Mai 2013, 2013. Taschenbuch. Book Condition: Neu. Neuware - A facial paresis always affects the organic, functional and mental level of our body. Facial expression, eating and drinking as well as chewing, speaking and kissing might possibly be impaired. The following exercise program includes comprehensive and specific activities in order to regain important muscle function, which should be chosen depending on the affected musculature. Additionally, this program contains exercises to improve tongue-mouth motor skills. In that way it also counteracts possible deficits regarding food intake or food processing. A facial massage to stimulate the blood circulation and relax after practicing completes the exercise program. 32 pp. Englisch.
