Norton. 1 Paperback(s), 2012. soft. Book Condition: New. A remarkable memoir of forgiveness and courage and inspiration for a major motion picture starring Colin Firth and Nicole Kidman this is the story of Eric Lomax, captured by the Japanese in World War II and forced to work on the Burma-Siam railway. When it was discovered that he had helped build a radio, he was punished with two years of starvation and torture, and would never forget the interpreter who presided at these brutal sessions. Five decades later, after returning home, marrying, and gaining the strength from his family to fight his demons, he learned that this interpreter was alive. Lomax exchanged letters and finally met with his former torturer, and tells how he could move beyond bitterness to forgive the evil done to him. 288.
