Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The Bible condemns drunkenness and alcohol abuse but makes no specific reference to drug abuse, eating disorders, workaholics, or most other addictions that concern us today. In many societies, thousands of individuals are addicted to alcohol, drugs, television, compulsive spending, sexual immorality, smoking, overeating and a host of other behaviors. An addiction is anything or a behavior that is habitual, repetitious and difficult or impossible to control. Usually the addiction brings short-term pleasure, but there may be long-term consequences in terms of one's health and welfare. Addictions tend to be progressive conditions that slowly exert more and more power and control over the individual. As people move from infancy toward maturity, they travel through developmental periods in which people have somewhat similar characteristics. Each individual advances through various stages in life—all distinctly different—to maturity. The infant stage differs greatly from the junior high, but both contribute to the total development in the life span of the individual. For the Christian there are two aspects of personality developments. One relates to the natural human personality and the other is the Christian personality. Personality, in the natural human sense, is a term describing the total of what people are physically, intellectually, socially, emotionally and spiritually. It includes every aspect and area of life. From birth personality is influenced and molded by many forces, heredity and environment being the major forces. Within the environment, mainly family, school, church, peer group and society influence a person. Subsequent, physical, intellectual, emotional, social and spiritual structure is built upon the foundation of early childhood. Growth and development are not synonymous terms. Growth means to increase in size, function and complexity up to maturity....
