Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Microscopic Objects, Animal, Vegetable and Mineral: With Instructions for Preparing and Viewing Them This little work is intended as an assistant to the tyro in Microscopy - a sort of A b C, or Hornbook - at most, in the light of a Primer containing Words of one and two Syllables. Not that the author assents to the notion that for rudimentary works excellence is not required. On the contrary, he believes that elementary instruction, to be really efficient, requires even a greater amount of knowledge of and penetration into the human mind, than is required for the composition of books intended for readers of higher attainments. He regrets, however, that, in the following pages, circumstances have prevented him from attaining even an approach to his own standard. The want of a practical work on Microscopic Objects has long been felt. Many possessors of valuable Microscopes bring them out on state occasions for the admiration of their friends; but rarely can they exhibit half-a-dozen objects properly. Either they employ a magnifier too high or too low, or the illumination is defective. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
