By Michael W. Bowers

Oxford University Press Inc. Hardback. Book Condition: new. BRAND NEW PRINT ON DEMAND., The Nevada State Constitution (2nd Revised edition), Michael W. Bowers, In this newly revised work, Michael Bowers presents an historical overview of constitutional development in the state of Nevada. The Nevada State Constitution provides a comprehensive section-by-section analysis of the state constitution. In addition, a thorough bibliographic essay notes the seminal works relating to the constitution, and a list of cases enumerates the landmark federal and state court decisions interpreting the state's constitution and the more than one hundred amendments to it. This one-of-a-kind treatment of the Nevada Constitution is essential reading for those interested in the historical development and contemporary meaning of the Sagebrush State's oldest and most foundational legal document. The Oxford Commentaries on the State Constitutions of the United States is an important series that reflects a renewed international interest in constitutional history and provides expert insight into each of the 50 state constitutions. Each volume in this innovative series contains a historical overview of the state's constitutional development, a section-by-section analysis of its current constitution, and a comprehensive guide to further research. Under the expert editorship of Professor G. Alan Tarr, Director of...
