

Photoshop Retouching Cookbook for Digital Photographers

By Barry Huggins

O'Reilly Media. Paperback. Book Condition: New. Paperback. 176 pages. Dimensions: 10.0in. x 9.3in. x 0.6in. With the introduction of affordable and easy-to-use digital cameras, people are taking photographs like never before. While the digital medium greatly simplifies the photographic process, it also offers photographers unprecedented opportunities to manipulate their images on their personal computers. Photoshop Retouching Cookbook for Digital Photographers tells you everything you need to know to use Adobe Photoshop CS2 to adjust, correct, retouch, and manipulate your photographs—without making you first learn everything there is to know about the application. These straightforward, easy-to-follow recipes give you specific directions so you can quickly and easily: Fix exposure, focus, and color problems Add special effects like motion blurs, lens effects, and surface textures Improve portraits by removing red eye, wrinkles, and blemishes Add and remove objects from photos seamlessly Use lighting effects to create more dramatic images Restore faded and damaged photos Give new shots a vintage, old-fashioned look Create posterized and hand-tinted images Assemble and fine-tune composite photos Correct perspectives The book tackles each real-life project in full color, with a hands-on approach. The fully illustrated recipes produce reliable and immediate results, and include at a glance panels and...
