Now, with the same breadth of vision and depth of commitment, he combines accessible analysis of cutting-edge science with the study of spiritual texts to explore the divine side of childhood, and to put forth a practical design for the care of our children's souls. A revolutionary vision for parents and educators alike -- indeed, for all who love children -- "The Soul of the Child" is a deft blend of inspiring stories, common sense, and scientific observations that demonstrates what the soul is and how it works.
