DuBois, James Weldon Johnson, UP FROM SLAVERYThe autobiography of Booker T Washington is a startling portrait of one of the great Americans of the late nineteenth and early twentieth century. The illegitimate son of 'a white man and a Negro slave, Washington, a man who struggled for his education, would go on to struggle for the dignity of all his people in a hostile and alien society.THE SOULS OF BLACK FOLKW.E.B. DuBois's classic is a major sociological document and one of the momentous books in the mosaic of American literature. No other work has had greater influence on black thinking, and nowhere is the African-American's unique heritage and his kinship with all men so passionately described.THE AUTOBIOGRAPHY OF AN EX-COLORED MANOriginally published anonymously, James Weldon Johnson's penetrating work is a remarkable human account of the life of black Americans in the early twentieth century and a profound interpretation of his feelings towards the white man and towards members of his own race. No other book touches with such understanding and objectivity on the phenomenon once called "passing" in a white society.These three narratives, gathered together in Three Negro Classics chronicle the remarkable evolution of African-American consciousness on both a personal and social level. Profound, intelligent, and insightful, they are as relevant today as they have ever been.The Autobiography of Booker T. Washington is a startling portrait of one of the great Americans of the late nineteenth and early twentieth century. The illegitimate son of a white man and a Negro slave, Washington, a man who struggled for...
