Algeria: France's Undeclared War

By Martin Evans

Oxford University Press. Paperback. Book Condition: new. BRAND NEW, Algeria: France's Undeclared War, Martin Evans, Invaded in 1830, populated by one million settlers who co-existed uneasily with nine million Arabs and Berbers, Algeria was different from other French colonies because it was administered as an integral part of France, in theory no different from Normandy or Brittany. The depth and scale of the colonization process explains why the Algerian War of 1954 to 1962 was one of the longest and most violent of the decolonization struggles. An undeclared war in the sense that there was no formal beginning of hostilities, the conflict produced huge tensions that brought down four governments, ended the Fourth Republic in 1958, and mired the French army in accusations of torture and mass human rights abuses. In carefully re-examining the origins and consequences of the conflict, Martin Evans argues that it was the Socialist-led Republican Front, in power from January 1956 until May 1957, which was the defining moment in the war, rather than the later administration under De Gaulle. Predicated on the belief in the universal civilizing mission of the Fourth Republic, coupled with the conviction that Algerian nationalism was feudal and religiously fanatical in...
