Angry Robot, United States, 2016. Paperback. Book Condition: New. 185 x 109 mm. Language: English . Brand New Book. Manchester, 2025. Local mechanic Sol steals old vehicles to meet the demand for spares. But when Sol's partner impulsively jacks a luxury model, Sol finds himself caught up in a nightmarish trans-dimensional human trafficking conspiracy. Hidden in the stolen car is a voiceless, three-armed woman called Y. She's had her memory removed and undertaken a harrowing journey into a world she only vaguely recognises. And someone waiting in the UK expects her delivery at all costs. Now Sol and Y are on the run from both Y's traffickers and the organisation's faithful products. With the help of a dangerous triggerman and Sol's ex, they must uncover the true, terrifying extent of the trafficking operation, or it's all over. Not that there was much hope to start with. A novel about the horror of exploitation and the weight of love, Graft imagines a country in which too many people are only worth what's on their price tag.
