REAL-FINANCIAL LINKAGES AMONG OPEN ECONOMIES

MIT Press Ltd, United States, 2003. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book. The contributions in this book identify and take up an important problem in international economics -- the split in theoretical and empirical work in international finance and in international trade. This book is unique in attempting to link these two aspects of the international economy together. The eight chapters explore the way exchange rates and international capital movements interact with industrial...
