

Anywhere or Not at All: The Philosophy of Contemporary Art

By Peter Osborne

Verso Books. Paperback. Book Condition: new. BRAND NEW, Anywhere or Not at All: The Philosophy of Contemporary Art, Peter Osborne, Contemporary art is the object of inflated and widely divergent claims. But what kind of discourse can open it up effectively to critical analysis? Anywhere or Not at All is a major philosophical intervention in art theory that challenges the terms of established positions through a new approach at once philosophical, historical, social and art-critical. Developing the position that "contemporary art is postconceptual art," the book progresses through a dual series of conceptual constructions and interpretations of particular works to assess the art from a number of perspectives: contemporaneity and its global context; art against aesthetic; the Romantic pre-history of conceptual art; the multiplicity of modernisms; transcategoriality; conceptual abstraction; photographic ontology; digitalization; and the institutional and existential complexities of art-space and art-time. Anywhere or Not at All maps out the conceptual space for an art that is both critical and contemporary in the era of global capitalism.

Reviews

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).

-- Prof. Kirk Cruickshank DDS

This kind of book is every little thing and taught me to looking ahead of time and a lot more. I am quite late in start reading this one, but better then never. I found out this book from my dad and i encouraged this pdf to find out.
