Brand New Book ***** Print on Demand *****.Sooner or later, every parent is faced with the task of talking to his or her child about flatulence. This book discusses the subject in an honest, informative and entertaining way for younger children while offering older kids a hilarious good time that they ll want to share with their friends and relive again and again. The illustrations and text are funny but tastefully done, avoiding gratuitous potty language and offensive graphics while addressing why we pass gas, where and when it is and isn t appropriate and the fact that it happens to everyone. Though written for children, many adults have found this book entertaining as well!.
