Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Acceptable Behaviour is a collection of reflections upon how we see each other and how we all, to some degree, interpret the world in a way that suits ourselves. It is about God and sex, the Devil and car salesmen, fat dogs and death, love and fear, the individual state of mind and the mind of the State. It is about the restrictions placed upon us not just by society, but by our own minds. It is wrapped in humour, cynicism, fear and, if not loathing, then a jolly good dose of British disappointment. It s about how no one ever said it would be easy, but neither did they warn us just how bloody difficult it would be.
