CIAO BELLA ITALY STICKER BOX

Laughing Elephant, United States, 2015. Other merchandise. Book Condition: New. 152 x 122 mm. Language: English . Brand New Book. Ah, Italy. Italy's legacy of classical antiquity, its astounding food, natural beauty, and of course its art make this beautiful country one of the world's most popular travel destinations, a status it has held been for a very long time. Indeed, as long as three hundred years ago travelers included Italy on their Grand Tour itineraries. Travel labels were created around the middle of the 19th century, to identify trunks on ocean liners and direct them to their staterooms. Eventually the custom expanded to trains, hotels and eventually airplanes, and travel companies realized the labels marketing potential. Travel labels are widely collected both for their design and historical interest. We've selected 20 vintage travel labels that celebrate Bella Italia and its travel heritage. Destinations include Palermo, Rome, Florence, Milan, Lake Como, Pallanza (in the Piedmont region) and Venice and more.
