The Path: A One-Mile Walk Through the Universe (Hardback)

By Chet Raymo

Walker Company, 2003. Hardback. Book Condition: New. 218 x 137 mm. Language: English . Brand New Book. For nearly forty years, Chet Raymo has walked a one-mile path from his house in North Easton, Massachusetts, to the Stonehill College campus where he has taught physics and astronomy. The woods, meadows, and stream he passes are as familiar to him as his own backyard, yet each day he finds something new. Every pebble and wildflower has a story to tell, Raymo says. In *The Path*, Raymo chronicles the universe he has found by closely observing every detail of his route. He connects the local to the global, the microscopic to the galactic, with a scientist's curiosity, a historian's respect for the past, a child's capacity for wonder. With each step, the landscape he traverses becomes richer and more multidimensional, opening door after door into astronomy, geology, biology, history, and literature. The flake of granite in the path was once at the core of towering mountains pushed up across New England when continents collided, he writes. The purple loosestrife beside the stream emigrated from Europe in the 1800s as a garden ornamental, then went wantonly native in a land...
