This belief is a superstition with many. There are fetish worshippers in New York and Philadelphia as well as in Dahomey. This argument is really an insult to the American people. It ignores entirely the essential elements of American energy, enterprise, and inventive skill. The opportunities afforded by our free institutions have stimulated every mans activity and ability to the utmost. Moreover the argument overlooks entirely the unequalled natural advantages of this country, its vast forests, its fertile prairies, its mines of coal, iron, copper, gold, and silver. All these gifts of God are entirely ignored by the standpatters as it has become the custom to call our American fetish worshippers. The fact is really this: A high...
