A normal task for one of the most respected and powerful literary agents in the city, but she's reading frantically, turning the pages breathlessly. The manuscript printed out, hand delivered and totally anonymous is full of shocking revelations and disturbing truths. a book that will change the world. | From the author of the New York Times -bestselling and Edgar Award-winning *The Expats* As dawn approaches in New York, literary agent Isabel Reed is turning the final pages of a mysterious, anonymous manuscript, racing through the explosive revelations about powerful people, as well as long-hidden secrets about her own past.
